The event of my pledge to my spiritual master Hazrat Khaja Niyaz Mohammed Shah Shamsi Chisti Al-Quadri, Hyderabad

.

This is such an event of my pledge, which is very important in my whole life, as a pledge is not only important but also brings responsibilities and duties and will turn the angle of the life of an individual.

I visited to become a disciple of Hazrat Khaja Niyaz Mohammed Shah Shamsi Chisti al-Quadri Hyderabad along with my wife at the residence of the Hazrat in the shrine building.

At that time I had taken with me 50 copies of the “Tadhkera of Hazrat Khaja Niyaz

Mohammed Shah Shamsi Chisti al-Quadri Aurangabad", which I had translated for the first time into an English version from the Urdu book version of the biography of this matter, and some flower garlands.
The spiritual master checked my English translation book, and he liked it and approved it very much upon reading some details in the book. He asked me whether my English language was good at the time of my education in school. I told him, “Yes, sir."
When Hazrat was able to learn my intention to become his disciple upon the pledge formality, Shaikh told me that there is a system for acceptance of the pledge during the time of the annual death anniversary time of Hazrat, Allah Ke Hukum Se, so you can become a disciple at that time. But when Hazrat had seen my book copies and flower garland preparations and when I was outside the hall of the residence building, Shaikh called me to come inside, and he was ready to accept my pledge along with my wife. By this time my wife had passed some distance in the compound area of the shrine building.
Due to kindness and favour, I became a disciple by accepting the pledge as per the

wording of the Shaikh, and I was entered in the fold circle of the devotion of the Hazrat along with my wife in this matter.
Upon acceptance of the pledge, there was no limit to the joy for me, and there are no words to write in this matter. I thank Allah a lot for this act and favour in this matter, and this is a major event in the individual person’s turning point in this matter.

The End.
